Firm owner: Jonas Romas Adomaitis

Personal enterprise code: 151266331

VAT code: LT512663314

The main goal of our firm - present the customers as wide as possible the assortment of single, classical, antiquarian and other furniture. In our shops you can easily purchase various furniture for kitchen, drawing room, bedroom, hall of good quality, leather, gobelin tapestry, massive wood, etc. We also try to present the electric appliance of famous manufacturers or firms including audio and video equipment, household articles and sportswear.

One of our basic advantages at present is to present our customers a single, non-serial, nominal production.

One more important goal at present is to help the customers to renovate expensive, single furniture, which bring You to certain memories. Therefore we initiated the service of procuring-selling different classical and antiquarian furniture, repairs of different soft furnishings, recoating, restoration, and small production, in which we use material, leather, leather substitutes, fabrics, foam-rubber and various types of accessories.

In our firm at present we can easily recoat, restore and repair various soft furnishings and some types of massive wood furniture for living rooms, bars, cafes, restaurants, schools, kindergartens, offices, etc. Our firm guarantees prompt and good quality service, accepts orders from natural and legal persons, executes leasing and carries out various transportation
